Dear Pastor,

I pray that you are enjoying the full blessing of God on your life and ministry this year.

The purpose of my writing is to recommend to you a very important MINISTRY PROJECT. More and more people are becoming aware of the enormous problem that HUMAN TRAFFICKING is in our world today. So many young women are trapped in this horrific situation and have little or no hope of every breaking free from the captivity of this lifestyle.

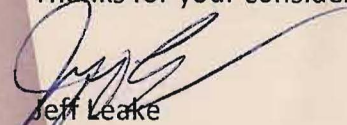

Jerry and April Foster have launched the BREAKING CHAINS NETWORK and have initiated a plan of action to rescue girls in Belgium and Bulgaria who find themselves trapped through trafficking. The Fosters have established several SAFE HOUSES where women can be ministered to and relationships established. Their dream is to one day buy a school which will serve both as a TRANSITION and TRAINING place where women can be residents and be disciplined to live a new life.

Allison Park Church, where I pastor, is in the process of raising funds for this project. We would like to invite you to join us. In fact, we are ready to match whatever you or your ministry gives dollar for dollar up to a total of \$50,000. Our hope is that the combined giving of many churches and individuals will equal at least \$100,000 - which will help the Fosters get well on their way to a facilities purchase.

We are so happy to back up this vision and believe that God will supply our needs as we give to a project so dear to God's heart.

If you have any questions feel free to contact me at jeffl@allisonparkchurch.com or 412.487.7220.

Thanks for your consideration.
